Subject to the terms and conditions of this License, the License shall continue until terminated, unless the software is designated as a fixed-term license, a beta testing license, a limited duration license, or a rental license. In such case the term of the license shall be the limited term so designated. Use of this after the expiration of any fixed-term or limited duration, as well as any use beyond that expressly permitted by this license or any attempt to defeat the disabling function, may constitute copyright infringement and/or a violation of intellectual property laws.</p> <p>3. <u>Permitted Uses and Restrictions</u>. You may also make one copy of the ArchVision Software in machine-readable form for backup purposes only. 	<p>technical information about your computer, system and application software, and peripherals, that is gathered periodically to facilitate the provision of software updates, improvements, product support, dynamically served content, and other services to you related to the ArchVision Software and to verify compliance with the terms of this License. ArchVision may also use this information in aggregate, and in a form which does not personally identify you, to improve our products and services. In such a situation, particular features of the ArchVision Software will require that you provide personally identifiable data, which may be collected, used, stored and transmitted to facilitate the provision of software updates, improvements, product support, dynamically served content, and other services to you related to the ArchVision Software and to verify compliance with the terms of this License.</p> <p>5. <u>Intellectual Property</u>. Title and copyright ownership of the ArchVision Software, Documentation, and accompanying materials, if any, and any copies made by you, remain with ArchVision. The structure, organization, and code of the Software are valuable trade secrets of ArchVision, which you shall use your best efforts to protect from disclosure and use except as expressly permitted by this License. In no event shall you permit the disclosure or use ArchVision’s trade secrets by any other person. Unauthorized copying of the Software or Documentation, or use outside the above restrictions, will result in automatic termination of this License. This License does not grant you ownership of any intellectual property rights.</p> <p>6. <u>Limited Warranty on ArchVision Software</u>. If the ArchVision Software has been provided to you on a tangible medium (and not downloaded from ArchVision’s web site), ArchVision warrants that the media containing the ArchVision Software shall be free of defects in materials and workmanship for a period of 90 days from date you obtained the license. Any such media not meeting this standard will be replaced when returned, along with the original receipt, to ArchVision or an authorized reseller. This limited warranty applies only to the tangible media, not to the ArchVision Software.</p> <p>EXCEPT AS SET FORTH ABOVE, THE ARCHVISION SOFTWARE IS PROVIDED "AS IS" AND WITHOUT WARRANTY OF ANY KIND. ARCHVISION EXPRESSLY DISCLAIMS ALL WARRANTIES AND/OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES AND/OR CONDITIONS OF MERCHANTABILITY OR SATISFACTORY QUALITY AND FITNESS FOR A PARTICULAR PURPOSE AND NONINFRINGEMENT OF THIRD PARTY RIGHTS.</p>

	<p>THERE IS NO WARRANTY AGAINST INTERFERENCE WITH YOUR ENJOYMENT OF THE ARCHVISION SOFTWARE OR OTHER INFORMATION OR AGAINST INFRINGEMENT. ARCHVISION DOES NOT WARRANT THAT THE FUNCTIONS CONTAINED IN THE ARCHVISION SOFTWARE WILL MEET YOUR REQUIREMENTS, OR THAT THE OPERATION OF THE ARCHVISION SOFTWARE WILL BE UNINTERRUPTED OR ERROR-FREE, OR THAT DEFECTS IN THE ARCHVISION SOFTWARE WILL BE CORRECTED. FURTHERMORE, ARCHVISION DOES NOT WARRANT OR MAKE ANY REPRESENTATIONS REGARDING THE USE OR THE RESULTS OF THE USE OF THE ARCHVISION SOFTWARE OR RELATED DOCUMENTATION IN TERMS OF THEIR CORRECTNESS, ACCURACY, RELIABILITY, OR OTHERWISE. NO ORAL OR WRITTEN INFORMATION OR ADVICE GIVEN BY ARCHVISION OR AN ARCHVISION AUTHORIZED REPRESENTATIVE SHALL CREATE A WARRANTY OR IN ANY WAY INCREASE THE SCOPE OF THIS WARRANTY. THE ARCHVISION SOFTWARE IS PROVIDED WITH ALL FAULTS, AND THE ENTIRE RISK AS TO SATISFACTORY QUALITY, PERFORMANCE, ACCURACY, AND EFFORT IS WITH YOU, THE USER.</p> <p>Some jurisdictions do not allow the exclusion of implied warranties, so the above exclusions may not apply to you. The terms of this disclaimer do not affect or prejudice the statutory rights of a consumer acquiring ArchVision Software otherwise than in the course of a business, neither do they limit or exclude any liability for death or personal injury caused by ArchVision's negligence.</p> <p>7. <u>Pre-release Product Additional Terms.</u> If the product you have received with this license is pre-commercial release, alpha or beta Software ("Pre-release Software"), then the following Section applies. To the extent that any provision in this Section is in conflict with any other term or condition in this Agreement, this Section shall supercede such other term(s) and condition(s) with respect to the Pre-release Software, but only to the extent necessary to resolve the conflict. You acknowledge that the Software is a pre-release version, does not represent final product from ArchVision, and may contain bugs, errors and other problems that could cause system or other failures and data loss. Consequently, the Pre-release Software is provided to you "AS-IS", and ArchVision, disclaims any warranty or liability obligations to you of any kind. WHERE LEGALLY LIABILITY CANNOT BE EXCLUDED FOR PRE-RELEASE SOFTWARE, BUT IT MAY BE LIMITED, ARCHVISION'S LIABILITY AND THAT OF ITS SHALL BE LIMITED TO THE SUM OF FIFTY DOLLARS (U.S. \$50) IN TOTAL. You acknowledge that Archvision has not promised or guaranteed to you that Pre-release Software will be announced or made available to anyone in the future, that ArchVision has no express or implied obligation to you to announce or introduce the Pre-release Software and that ArchVision may not introduce a product similar to or compatible with the Pre-release Software. Accordingly,</p>	
--	--	--

		<p>you acknowledge that any research or development that you perform regarding the Pre-release Software or any product associated with the Pre-release Software is done entirely at your own risk. During the term of this Agreement, if requested by ArchVision, you will provide feedback to ArchVision regarding testing and use of the Pre-release Software, including error or bug reports. If you have been provided the Pre-release Software pursuant to a separate written agreement, such as the ArchVision, your use of the Software is also governed by such agreement. You agree that you may not and certify that you will not sublicense, lease, loan, rent, or transfer the Pre-release Software. Upon receipt of a later unreleased version of the Pre-release Software or release by ArchVision of a publicly released commercial version of the Software, whether as a stand-alone product or as part of a larger product, you agree to return or destroy all earlier Pre-release Software received from ArchVision and to abide by the terms of the End User License Agreement for any such later versions of the Pre-release Software. Notwithstanding anything in this Section to the contrary, if you are located outside the United States of America, you agree that you will return or destroy all unreleased versions of the Pre-release Software within thirty (30) days of the completion of your testing of the Software when such date is earlier than the date for ArchVision's first commercial shipment of the publicly released (commercial) Software.</p> <p>8. <u>Limitation of Liability.</u> UNDER NO CIRCUMSTANCES SHALL ARCHVISION BE LIABLE FOR ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL, OR CONSEQUENTIAL DAMAGES ARISING OUT OF OR RELATING TO THIS LICENSE OR THE USE OF THE ARCHVISION SOFTWARE, DOCUMENTATION, OR OTHER ACCOMPANYING MATERIALS. Some jurisdictions do not allow the limitation of incidental or consequential damages so this limitation may not apply to you. INDEPENDENT OF THE FOREGOING LIABILITY LIMITATION, IN NO EVENT SHALL ARCHVISION'S TOTAL LIABILITY TO YOU OR ANYONE ELSE EXCEED THE AMOUNT YOU HAVE PAID ARCHVISION FOR THE RIGHTS GRANTED UNDER THIS LICENSE OR THE AMOUNT OF FIFTY DOLLARS (U.S. \$50), WHICHEVER IS GREATER.</p> <p>9. <u>Export Law Assurances.</u> You may not use or otherwise export or re-export the ArchVision Software except as authorized by United States law and the laws of the jurisdiction in which the ArchVision Software was obtained. By using the ArchVision Software, you represent and warrant that you are not located in, under control of, or a national or resident of any such country or on any such list.</p> <p>10. <u>U.S. Government - Restricted Rights.</u> The ArchVision Software is provided with RESTRICTIVE RIGHTS. Use, duplication, or disclosure by the Government is subject to</p>

All disputes arising out of or relating to this License shall be finally settled by arbitration conducted in Lexington, Kentucky, USA under the rules of commercial arbitration of the American Arbitration Association. Both parties shall bear equally the cost of arbitration (exclusive of legal fees and expenses, all of which each party shall bear separately). All decisions of the arbitrator(s) shall be final and binding on both parties and enforceable in any court of competent jurisdiction. Notwithstanding the foregoing, in the event of breach by a party of its obligations hereunder, the non-breaching party may seek injunctive or other equitable relief in any court of competent jurisdiction.</p> <p>12. <u>Severability</u>. If for any reason a court of competent jurisdiction or other tribunal finds any provision, or portion thereof, to be unenforceable, the remainder of this License shall continue in full force and effect.</p> <p>13. <u>No Waiver</u>. Any waiver by ArchVision of a breach of this License or use of the ArchVision Software or Documentation beyond the scope of this License shall not constitute or be construed as a waiver of any later breach or unauthorized use.</p> <p>14. <u>Complete Agreement</u>. No amendment to or modification of this License will be binding unless in writing and signed by ArchVision.</p> <p>15. <u>Captions</u>. The license affects thus the FreeType font engine, the test programs, documentation and makefiles, at the very least.</p> <p>This license was inspired by the BSD, Artistic, and IJG (Independent JPEG Group) licenses, which all encourage inclusion and use of free software in commercial and</p>	Enscape Renderer

		<p>freeware products alike. As a consequence, its main points are that:</p> <ul style="list-style-type: none"> o We don't promise that this software works. However, we will be interested in any kind of bug reports. (as is' distribution) o You can use this software for whatever you want, in parts or full form, without having to pay us. (royalty-free' usage) o You may not pretend that you wrote this software. If you use it, or only parts of it, in a program, you must acknowledge somewhere in your documentation that you have used the FreeType code. (credits') <p>We specifically permit and encourage the inclusion of this software, with or without modifications, in commercial products. We disclaim all warranties covering The FreeType Project and assume no liability related to The FreeType Project.</p> <p>Finally, many people asked us for a preferred form for a credit/disclaimer to use in compliance with this license. We thus encourage you to use the following text:</p> <p>"" Portions of this software are copyright © <year> The FreeType Project (www.freetype.org). All rights reserved.""</p> <p>Please replace <year> with the value from the FreeType version you actually use.</p> <p>Legal Terms =====</p> <p>0. Definitions -----</p> <p>Throughout this license, the terms `package', `FreeType Project', and `FreeType archive' refer to the set of files originally distributed by the authors (David Turner, Robert Wilhelm, and Werner Lemberg) as the `FreeType Project', be they named as alpha, beta or final release.</p> <p>`You' refers to the licensee, or person using the project, where `using' is a generic term including compiling the project's source code as well as linking it to form a `program' or `executable'. This program is referred to as `a program using the FreeType engine'.</p> <p>This license applies to all files distributed in the original FreeType Project, including all source code, binaries and documentation, unless otherwise stated in the file in its original, unmodified form as distributed in the original archive. If you are unsure whether or not a particular file is covered by this license, you must contact us to verify this.</p>

Conditions</p> <p>Sections 3.1, 3.2, 3.3, and 3.4 are conditions of the licenses granted in Section 2.1.</p> <p>3. Responsibilities</p> <p>-----</p> <p>3.1. Distribution of Source Form</p> <p>All distribution of Covered Software in Source Code Form, including any Modifications that You create or to which You contribute, must be under the terms of this License. You must inform recipients that the Source Code Form of the Covered Software is governed by the terms of this License, and how they can obtain a copy of this License. You may not attempt to alter or restrict the recipients' rights in the Source Code Form.</p> <p>3.2. Distribution of Executable Form</p> <p>If You distribute Covered Software in Executable Form then:</p> <p>(a) such Covered Software must also be made available in Source Code Form, as described in Section 3.1, and You must inform recipients of the Executable Form how they can obtain a copy of such Source Code Form by reasonable means in a timely manner, at a charge no more than the cost of distribution to the recipient; and</p> <p>(b) You may distribute such Executable Form under the terms of this License, or sublicense it under different terms, provided that the license for the Executable Form does not attempt to limit or alter the recipients' rights in the Source Code Form under this License.</p> <p>3.3. Distribution of a Larger Work</p> <p>You may create and distribute a Larger Work under terms of Your choice, provided that You also comply with the requirements of this License for the Covered Software. If the Larger Work is a combination of Covered Software with a work governed by one or more Secondary Licenses, and the Covered Software is not Incompatible With Secondary Licenses, this License permits You to</p>	
--	--	---	--

		<p>additionally distribute such Covered Software under the terms of such Secondary License(s), so that the recipient of the Larger Work may, at their option, further distribute the Covered Software under the terms of either this License or such Secondary License(s).</p> <p>3.4. Notices</p> <p>You may not remove or alter the substance of any license notices (including copyright notices, patent notices, disclaimers of warranty, or limitations of liability) contained within the Source Code Form of the Covered Software, except that You may alter any license notices to the extent required to remedy known factual inaccuracies.</p> <p>3.5. Application of Additional Terms</p> <p>You may choose to offer, and to charge a fee for, warranty, support, indemnity or liability obligations to one or more recipients of Covered Software. However, You may do so only on Your own behalf, and not on behalf of any Contributor. You must make it absolutely clear that any such warranty, support, indemnity, or liability obligation is offered by You alone, and You hereby agree to indemnify every Contributor for any liability incurred by such Contributor as a result of warranty, support, indemnity or liability terms You offer. You may include additional disclaimers of warranty and limitations of liability specific to any jurisdiction.</p> <p>4. Inability to Comply Due to Statute or Regulation</p> <p>-----</p> <p>If it is impossible for You to comply with any of the terms of this License with respect to some or all of the Covered Software due to statute, judicial order, or regulation then You must: (a) comply with the terms of this License to the maximum extent possible; and (b) describe the limitations and the code they affect. Such description must be placed in a text file included with all distributions of the Covered Software under this License. Except to the extent prohibited by statute or regulation, such description must be sufficiently detailed for a recipient of ordinary skill to be able to understand it.</p> <p>5. Termination</p> <p>-----</p> <p>5.1. The rights granted under this License will terminate automatically if You fail to comply with any of its terms. However, if You become compliant, then the rights granted under this License from a particular Contributor are reinstated (a) provisionally, unless and until such Contributor explicitly and finally terminates Your grants, and (b) on an ongoing basis, if such Contributor fails to notify You of the non-compliance by some reasonable means prior to 60 days after You have come back into compliance. Moreover, Your grants from a particular Contributor are reinstated on an ongoing basis if such Contributor notifies You of the non-compliance by some reasonable means, this is the first time You have received notice of non-compliance with this License from such Contributor, and You become compliant prior to 30 days after Your receipt of the notice.</p>	
--	--	---	--

5.2. If You initiate litigation against any entity by asserting a patent infringement claim (excluding declaratory judgment actions, counter-claims, and cross-claims) alleging that a Contributor Version directly or indirectly infringes any patent, then the rights granted to You by any and all Contributors for the Covered Software under Section 2.1 of this License shall terminate.

5.3. In the event of termination under Sections 5.1 or 5.2 above, all end user license agreements (excluding distributors and resellers) which have been validly granted by You or Your distributors under this License prior to termination shall survive termination.

6. Disclaimer of Warranty

* ----- *

Covered Software is provided under this License on an "as is" basis, without warranty of any kind, either expressed, implied, or statutory, including, without limitation, warranties that the Covered Software is free of defects, merchantable, fit for a particular purpose or non-infringing. The entire risk as to the quality and performance of the Covered Software is with You. Should any Covered Software prove defective in any respect, You (not any Contributor) assume the cost of any necessary servicing, repair, or correction. This disclaimer of warranty constitutes an essential part of this License. No use of any Covered Software is authorized under this License except under this disclaimer.

7. Limitation of Liability

* ----- *

Under no circumstances and under no legal theory, whether tort (including negligence), contract, or otherwise, shall any Contributor, or anyone who distributes Covered Software as permitted above, be liable to You for any direct, indirect, special, incidental, or consequential damages of any character including, without limitation, damages for lost profits, loss of goodwill, work stoppage, computer failure or malfunction, or any and all other commercial damages or losses, even if such party shall have been informed of the possibility of such damages. This limitation of liability shall not apply to liability for death or personal injury resulting from such party's negligence to the extent applicable law prohibits such limitation. Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, so this exclusion and limitation may not apply to You.

		<p>***** *****</p> <p>8. Litigation</p> <p>-----</p> <p>Any litigation relating to this License may be brought only in the courts of a jurisdiction where the defendant maintains its principal place of business and such litigation shall be governed by laws of that jurisdiction, without reference to its conflict-of-law provisions. Nothing in this Section shall prevent a party's ability to bring cross-claims or counter-claims.</p> <p>9. Miscellaneous</p> <p>-----</p> <p>This License represents the complete agreement concerning the subject matter hereof.
